# About Virohan Global

*Connecting Indian MSMEs to Global Opportunities*

Virohan Global LLP helps Indian MSMEs take their products to international markets through **sourcing, trading, and export support.**

We focus mainly on **Mechanical Products and Glass Bottles & Packaging**, with **Electrical Products** coming soon.

We support buyer requirements through **supplier identification, quotations, quality coordination, packaging, logistics, and shipment assistance.**

Our goal is to bridge Indian manufacturers with serious global buyers through **reliable execution and professional communication.**

**If the buyer has the product design, we can get it manufactured.**
